SHOW CLASSES

CATTLE SECTION

It is with regret that due to a shortage of volunteers and dwindling Cattle numbers we as a Section have made the difficult decision to not run Cattle Classes at the 2026 show.

We will review this decision on an annual basis.

We would like to thank all who have exhibited previously.

MAEDI VISNA (MV) ACCREDITED FLOCKS SCHEME

It is most important that exhibitors make quite clear on their entry forms, by ticking the correct box, whether they are MV Accredited. i.e. a fully accredited M.V. Accredited sheep must be accompanied by a MV/CAE HSR Certificate. This is very necessary to enable us to provide the correct penning and show facility. Members of this scheme will be aware of the regulations regarding coming into contact with non-accredited sheep, and the quarantine regulations thereafter.

RULES OF THE SHOW

1. All sheep to be penned by 9:30am ready for the commencement of judging at 10.00am.
2. All exhibits in Classes must be shown to breed standard or untrimmed.
3. Sheep can only be exhibited in one section.
4. The Committee reserves the right to refuse any entries.
5. No straw to be used in the sheep pens.
- 6. If there are less than 3 entries in a class, the class may be amalgamated with another class within its breed section, or moved to the Open Continental or Native Classes.**
7. Entries in the Commercial Sheep classes will be judged in pens; Judge may ask for rams to be led out of the pen.
8. It is the responsibility of the Exhibitor to present their sheep to the Judge at the correct time, particularly penned sheep.
9. Championship Classes - only the Champion of each breed section to be presented for the Sheep Championships.
